Angie

I have just been told by my contractor that the lab data appendices are over 8000 pages so I will only send a hard copy of the main body of the report, the appendices on a CD and the entire report on a CD.

Thanks

Thank you for the update. Are you ok with receiving 1 printed copy of the entire draft, printed copy

of everything except the data reports with data reports on CD, and a CD of the entire report for your agencies records instead of multiple printed copies of the entire document?

Thanks
